**Mobile ONE STEP Cleaning**  
No Rinsing • No Drying • No Residue

**TIB HAND WIPES** are a unique patented waterless hand-cleaning system combining both a high-quality, liquid hand cleaner formula, and a heavy-duty, no-scratching, abrasive hand cleaning towel.

**TIB HAND WIPES** loosen, dissolve and absorb surface and embedded grease, grime and soil.

**TIB HAND WIPES** replace shop towels, dry wipes, paper towels and rags that are constantly used to wipe hands, but are unable to clean them. Non-access to soap, water, wash basins or sinks make this the ideal system to keep hands professionally clean.

Multi-purpose **TIB HAND WIPES** are also excellent for degreasing industrial equipment, tools, dies, engines, machines, pumps, pipe, finished parts and work in progress; for degreasing of vinyl, plastics, painted surfaces and virtually any hard-to-clean surfaces not harmed by soap and water.

**TIB HAND WIPES** remove heavy grease, lubricants, adhesives, oils, tar, ink, paint, wax, sealants and caulk, and many pesticide stains while conditioning hands with gentle emollients.
