Zyme- Away

Carpet Spot, Stain & Odor Remover

CAUTION

KEEP OUT OF REACH OF CHILDREN
Net Contents: 1 quart (0.95 L)

Zyme-Away is a water based spot, stain and odor remover that does not contain harsh cleaning products like caustics, acids or solvents. It contains natural enzymes that break down organic material without harming the carpet. It is excellent for removing stains caused by coffee, soft drinks, food and also neutralizes odors from pet stains.

1888-Q12

CAUTION
Dispose of contents/container in accordance with federal, state and local regulations.

INGREDIENTS (CAS#): Water (7732-18-5), Enzymes, Surfactants.
